Kryl's Band.

Those who heard this famous organization last year will want to hear it again. This time a sacred concert will be given Sunday afternoon and night. In addition to the players of last year, there will be Lee Zelenka Lerando, the widely-known harpist, who has toured Germany, Austria, Italy, Denmark, England and many other countries. To hear Kryl in cornet solos will be the event of the year.

"'Twas Worth The Price,"
Said Bride.

"Oh, no, I don't regret it much. It was worth \$500 to be a wife even if it did not last long. I'm no spring chicken any more and I did want to become some man's wife."

That is the philosophic manner in which an Illinois woman received sympathy for the disappearance of her husband with \$500.

Deserted by her "handsome, dashing husband," to whom she had been married a week, and minus \$485, which she says the husband took with him when he disappeared, Mrs. Violet Adanson, 30 years old, formerly a school teacher of Stone Fort, Illinois, appealed to the police for aid and transportation to her home, at Milwaukee.

The young woman and her husband, whom she had known less than three weeks, arrived in Milwaukee Monday. Despite her experience, the young woman declared that she was face to face with the same proposition again she would not vary her actions.

Goat Eats Wedding License.

Because a bridegroom's clumsy fingers fumbled a baby blue ribbon fastened from a marriage license parchment, a hungry billy goat ate the document and the elaborate wedding festivities were ruined, while an auto raced across the country to get another license—near Hennington, Ind.

Charles W. Gribben, aged 70, was the bridegroom and Mrs. Anna King Chance, aged 30, the bride. They had procured a license in Lawrenceburg and were motoring to the bride's home to be married. Hundreds of guests awaited them and the wedding feast was ready.

The bride, on approaching the house, tried to tie the fluttering ribbons around the license and Gribben playfully took them away from her. He fumbled at it in the wind and a hungry goat by the roadside made a breakfast of the parchment before Gribben could climb down from the machine to rescue it.

The minister and the wedding guests had to wait for another license.

MARRIED

At Somerset, Miss Thelma Smith, who had graduated with honors at the Somerset High School ten days ago, was married last week to Arthur Johnson Frank, a prominent young business man of Frankfort. The bride is the daughter of Beecher Smith, Pulaski's wealthiest citizen.

A modest little check for \$1,000.00 was one of the wedding gifts presented to Mrs. Sydney L. Berg, who before her marriage a few days ago was Miss Lily Dorothy Magnus, of Chicago. The donor of the check was Adolphus Busch, of St. Louis, the bride's grandfather.

Mr. Hagan Wins At Corbin.

Mr. John J. Hagan, brother of Mr. T. S. Hagan, of this city, has received the appointment as postmaster of his home town of Corbin, where he has been prominently identified in a business way for many years. His nomination was sent to the Senate for confirmation last Friday. Mr. Hagan's work for democracy in the "bloody Eleventh" fully entitled him to the recognition he has received and his many friends here send congratulations and good wishes on his landing the rich plum.

Base Ball Thursday And Friday.

There will be two interesting games of base ball Thursday and Friday next at Pioneer Park. Each game will begin at 3 o'clock and as the one on Thursday is the opener of the season, the probabilities are a very large crowd will witness it. The Carlisle team will cross bats with the Richmond boys on those days and it will be seen if our boys can give them as severe a drubbing on their own grounds as they did on the Carlisle diamond. By the way, we were in error in our report of the last game played at Carlisle. The Richmond team, with James Parks as pitcher, won 5 to 0, instead of 11 to 5, as our types made us say.

To The Public.

Through courtesy I signed a petition for L. B. Terrill, not thinking that any capital would be made of it, or that any undue influence would be taken by him or his friends, as has been done. I did not understand that I obligated myself by signing same, and I wish him and his friends to know that I and all my kin, so far as I can learn, will willingly support L. C. House for the nomination for clerk of Madison county.

The Richmond Chautauqua.

We hope all our citizens will do their best to make this Chautauqua a successful one in every way, so that it may become a permanent institution. Many will spend much more than the price of a season ticket for an outing or some other form of amusement, but where can so much real intellectual and uplifting enjoyment be had, as right here at home for the small sum of \$2? It is only a short walk to the Normal Campus from the furthest part of the city, and the grounds can be made the headquarters for many delightful gatherings of our townspeople. Gov. Folk will be here and to hear him is alone worth much, but then there will be Kryl's band, and the Ben Greet players, and Mrs. Beecher, the world-famous reader, to say nothing of the great array of talent which will appear day and night. Let us all get busy and help to make the present Chautauqua one that will be a standard of success for all that will come after.

The Aftermath.

"Daughter and her beau must have had a terrible quarrel!"
"Why so, ma?"
"Five pounds of candy, a bunch of roses and two matinee tickets have just arrived."

Stearns & Foster Mattresses have a laced opening (Pat. applied for) through which you can see and examine the inside of the Mattress you GET. That's the safe way to buy a Mattress. You know what you are getting.

Stearns & Foster Mattresses are made of Clean, Sanitary Cotton; felted into hundreds of little webs forming many Springs, Buoyant layers standing nearly three feet high. These layers are then LAID BY HAND and compressed to ONE-SIXTH their original height and encased in the ticking; then tufted to just the proper tension so as to be Soft, yet Firm, half yielding to your figure, but supporting it in perfect relaxation.

You will say—

"I never Knew a Mattress could be so Comfortable."

That's just what satisfied users of Stearns & Foster Mattresses are saying. You owe it to yourself to get one and enjoy rest that is Refreshing—Comfortable—Healthful.

You don't have to be put to the expense and inconvenience of sending a Stearns & Foster Mattress away to be "Made Over" or "Renovated." They never require it. An occasional Sun Bath keeps them fresh and clean.

Don't Fail to attend this Sale. Come today.

Select the Mattress you want—NOW. Don't put up longer with that old uncomfortable Mattress.

To The Voters of Madison County.

On account of the disease which has caused the death of a number of horses in Richmond, I have deemed it best not to go into the country to see the voters, fearing that I might be instrumental in spreading it. I make this public that my friends and the voters of the county generally may know why I have not been among them. As soon as the disease is stopped or runs its course, I hope to be with them again. Thanking them for their assurance of support and asking that they do in my behalf whatever they can, I am at their command and with best wishes.

Commencement Week at Eastern Normal.

This is commencement week at Eastern Normal and there is something of interest going on each day. Sunday evening in the Chapel Dr. H. N. Quisenberry preached a splendid commencement sermon which was listened to by a very large crowd. Yesterday was class and field day, when an interested crowd took advantage of the occasion. Mr. Crawford won the broad jump as well as the standing high jump. Ad Thomas won the running broad jump with Mr. Stevenson second. Prof. Keith the shot put, with Ben Bryant second and Mr. Crawford was victor in the hammer throw, while Miss Scoville won in the girls' potato race and Miss Dorothy Fleming came second. Prof. Johnson carried off the laurels in chinning the bar. In the all up relay, the juniors defeated the seniors, the juniors beat the sophomores at ball and in turn the seniors defeated the juniors.

Last night the High School Junior and Senior reception was given and it proved most enjoyable. This morning presentation of Elementary certificates was made and this evening the commencement play will be given in the auditorium. Following is the program for balance of the week.

"The District Leader" Tonight and Wednesday Night at the Opera House Lower Floor 30 cents; Balcony 20 and 10 cents

Successful Term Ended.

The commencement exercises of Caldwell High School Friday evening marked the ending of another successful year at that well known and popular institution of learning. The large auditorium was packed to the guards when the seventeen graduates received their diplomas, which were awarded by Prof. M. L. Caner, who made a timely talk in doing so. The address to the graduates was made by Prof. T. J. Coates, present State Supervisor of Rural Schools but who was superintendent of Caldwell High School for several years. His remarks were in accord with his usual utterances—interesting and full of food for thought. During the evening the High School orchestra dispensed delightful music. The auditorium was beautifully decorated with rare flowers and palms and the scene was as pretty as it was inspiring. The graduates received a great many presents, one fortunate young lady being remembered by nearly a hundred of her friends. Following are the graduates: G. C. Bradley, Hugh Gibson Culton, Jamie Samuel Bailey, Edgar Shirley, Gurney, Heben Pearlman, Elizabeth Miller Blanton, Josephine Riel Chenault, Ross Dobrowsky, Harry Wood Huguley, Sarah Julia Jones, Mary Lewis Martin, Anna Geneva McCarthy, Jane Vivian Rice, Stella Burnam Taylor, Mary Josephine Terrill, Ellen Walker, Ruby Powell Willoughby.

Odd Fellows Hold Impressive Memorial Services.

The Memorial Services by the Odd Fellows at the Grand Opera House Sunday afternoon were both impressive and pretty. The large building was well filled with Odd Fellows and others who enjoyed the interesting program to the fullest. The opera house orchestra, under the leadership of Prof. A. J. Poeling, discoursed soul-stirring music and Miss Maude Wilson rendered a vocal solo in a very charming manner. The address of the occasion was delivered by Hon. J. Curtis Kenfro, of Louisville. He told of the many good features of the great order of Odd Fellows, the good its members are doing and believed as many do, that the world is made far better by the uplift and general work of fraternal orders. His efforts were greatly appreciated and enjoyed. After the ceremonies were concluded the 100 or more Odd Fellows present and many of their guests of the afternoon marched to the cemetery to the step of good music made by the Richmond Brass Band and laid flowers on the graves of their departed brothers. Mr. Kenfro made a brief talk there. Mr. John M. Noland made a happy speech in introducing Mr. Kenfro at the opera house and Mr. C. C. Wallace was master of ceremonies. Hon. L. B. Herrington, who was on the program for an address, was unable to fill his engagement.

Tilford Jones' Picture.

The Louisville Times of Saturday contained a very good picture of Tilford Jones, who managed the ball team here last year and who is now playing the dual role of outfielding and coaching for the Columbus, Ohio, team and running for the republican nomination for sheriff in Laurel county. He is said to be making good on the ball field and reports come that he stands a good show of getting the republican nomination for the office of high sheriff of his home county. Jones is an enthusiastic ball player and is proving himself a pretty fair politician.

Good Show at Opera House.

In street parlance, that is a crack-jack show Manager Baxter has on at the opera house. "The District Leader" is an exceedingly interesting story and it is well told in word and song by the members of the company presenting it. There are some pretty girls and several excellent voices in the chorus and the work of most of the members of the company is highly creditable. The District Leader will be produced again tonight and besides, two reels of pictures will be shown. The prices are 10, 20 and 30 cents; a bargain indeed.

Cordial Invitation to Become Real Members of the Redpath Family

We have chosen this community as the center for one of our chautauquas because we have faith in the enterprise, enthusiasm, and genuine chautauqua spirit of your citizens. We believe that the program we are offering this season eclipses any seven-day chautauqua program ever presented and likewise we have confidence in the ability of the people of this section to appreciate good things.

But not only do we invite you to attend, but to become real members of the big Redpath family, both by fellowship with your friends at the chautauqua grounds, and by making the acquaintance of the management, the superintendents, and of the live young college men who comprise the tent crews. Cordially yours,

HARRY P. HARRISON,
Pres. and Gen. Mgr. Redpath Chautauquas.

Why I Buy At Home:

I buy at home because my interests are here.

Because I want to see the goods I buy.

Because I sell what I produce here at home.

Because I want to get what I pay for.

Because the man I purchase from pays his part of the city and the county taxes.

Because the community that is good enough for me to live in is surely good enough for me to buy in.

Because I believe in transacting business with friends.

Because the man I buy from stands back of his goods.

Because every dollar spent at home stays at home and works for the development of the city and county.

Because the home merchant helps support the schools to which I send my children, my church, my lodge and my home.

I take the home paper because the home merchant tells in it of his bargains—and because the editor helps pay taxes and is always looking out for the good of my town and county.

Here is where I live and here is where I buy.

Here is where I'll be buried when I die.

The Kentucky State Board of Health, in its recent reports, estimated there are in Kentucky 20,000 cases of tuberculosis. Why don't they use Smith's Lung Tonic? Price \$7.00 per gallon. Listen to this statement:

This statement I take great pleasure in making: Dr. T. B. Smith cured my sister, Mildred Richards, of consumption 43 years ago, after being given up by physicians and after being thought dead once or twice. It was a marvelous cure. W. P. Richards, Nicholasville, Ky.

Philip Barnhard, New Philadelphia, Ohio, states:

"I had three specialists to treat my wife; they told me she had tuberculosis or consumption and could not get well. I had used numerous remedies before I sent for the specialists; finally as a last resort, I sent for a gallon of Smith's Lung Tonic. She is now well and has been since December 1911."

Smith's Lung Tonic is just like Smith's Liniment. 40 years test has proven this liniment the best. Who doubts it? The man who has never tried it.

Manufactured by T. B. Smith Medicine Co., Lexington, Ky.

In the reach of everybody at \$7.00 a gallon.—Advertisement.

It is true that women more frequently suffer from kidney trouble than men. It is also true they suffer more intensely, owing to their more sensitive organism. Katherine L. Norton, New Bedford, Mass., says: "I took Foley Kidney Pills as advised, with results certain and sure. The pain and burning feeling left me, I felt toned up and invigorated. I am glad to recommend Foley Kidney Pills. They are tonic in action, quick in results. For sale by all druggists."

Beware of Ointments for Catarrh That Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surface of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught," writes Mrs. Sylvania Woods, of Clifton Mills, Ky.

"It certainly has no equal for la grippe, bad colds, liver and stomach troubles. I firmly believe Black-Draught saved my little girl's life. When she had the measles, they went in on her, but one good dose of Thedford's Black-Draught made them break out, and she has had no more trouble. I shall never be without

THEDFORD'S BLACK-DRAUGHT

in my home." For constipation, indigestion, headache, dizziness, malaria, chills and fever, biliousness, and all similar ailments, Thedford's Black-Draught has proved itself a safe, reliable, gentle and valuable remedy.

If you suffer from any of these complaints, try Black-Draught. It is a medicine of known merit. Seventy-five years of splendid success proves its value. Good for young and old. For sale everywhere. Price 25 cents.
